Adopt a Mural
for school classes, organizations, clubs etc.

With the Adopt a Mural option we hope to get the youth of our community involved in the project. The Sussex Mural Project is of great educational value. By means of a specific form of art, accessible to everybody at any time, various parts of our local history will be made visible. We hope this experience will instil civic pride, community spirit and create a sense of ownership.

School classes, organizations, clubs etc. can Adopt a Mural of their choice for 1 year. During this time the group will look after their mural by means of removing litter from the sidewalk, removing snow that covers the mural, reporting any damages on the murals and be ambassadors for all the Sussex murals in general.

The Adopt a Mural Sponsorship Package includes the following benefits:

- name, level of sponsorship and short description of school class, organization, club etc. on the Sussex Mural website for 1 year
- a certificate thanking school, organization, club etc. for the generous sponsorship
- 1 official mural walking guide
